Memorial Arrangement Contract

Arranged By: HOLLYWOOD HILLS, CA 91044

Decedent: Michael J. Jackson FL ID.: [REDACTED] Account No.: [REDACTED]

I agree to purchase the mortuary, or cemetery property, merchandise, or services described below subject to the terms of this Agreement including the attachments.

Charges are only for those items that you selected or are required. If we are required by law, or by a cemetery or crematory, to use any items, we will explain the reasons in writing below. If you selected a funeral which requires embalming, such as a funeral with viewing, you may have to pay for embalming. You do not have to pay for embalming you did not approve if you selected arrangements such as direct cremation or direct burial. If we charged for embalming, we will explain why below. If you selected cremation, Forest Lawn requires a casket or alternative container. If burial is to be in the ground, Forest Lawn requires an outer burial container to minimize later sinking of the ground.

Embalming has been selected, accordingly a charge for that service is included. Forethought Policy No. [REDACTED]

Contract Adjustments

Forest Lawn endeavors to assure the accuracy and completeness of the individual charges for merchandise and services you selected on today's contract. Please understand that any contract charge may be increased or decreased based upon changes you may authorize or charges paid on your behalf by Forest Lawn after the contract is signed. The following list contains some of, but is not limited to, the most frequently adjusted items:

Estimated Limousine - The number of cars requested changed or the three hour limit per service was exceeded.

Estimated News Notice - The initial charge quoted differed from the final price of the requested notices.

Estimated Transportation - Mileage to or from the Forest Lawn Mortuary exceeded the 60 mile radius, multiple trips were required, or initial quote for domestic or international air transportation was adjusted by the servicing airline.

Estimated Escorts - Escorts are required to ensure traffic safety for all funeral processions. The charge is based upon one escort per 10 cars and the final determination of the number required is made at the time of service.

Matching Memorial Tablets - Because of the variety of styles and sizes of memorial tablets offered, additional charges may result when ordering a memorial tablet to match an existing Memorial.

Estimated Miscellaneous Cash Advances - These charges include any fee which is paid to an external company, agency, or individual on your behalf. Common items might include Coroner's fee, outside mortuary charges, or other services you may request Forest Lawn to provide.

Cancellations - Services provided by external companies or individuals (e.g. musicians, limousines, escorts, clergy, etc.) that are cancelled less than 24 hours prior to service time, may be charged to your account.

Forest Lawn welcomes any questions or concerns you may have regarding your initial or monthly statement(s). Those inquiries may be directed to either your memorial counselor or our customer service department.

Your signature below indicates that you have read and understand the above and that you agree to pay for any additional charges which are incurred by Forest Lawn on your behalf.

Dear [REDACTED]

Please allow me to express my sincere condolences for the loss of Mr. Michael Jackson to his family, friends, and business associates. There isn't much one can say to ease the sense of loss, but it is comforting to know that Mr. Jackson left behind a lifetime of wonderful memories for all of us to enjoy.

Mr. [REDACTED] asked that I send to you the final bill detailing mortuary and cemetery services we provided to Mr. Jackson. The original contract amount was [REDACTED], which was paid in full by Mr. [REDACTED] on July 6th, 2009. At that time, I mentioned to Mr. [REDACTED] that a closing bill for charges incurred above and beyond the contract, as well as continuing charges, would follow. This letter itemizes those charges.

The balance due is the final billing associated with the mortuary charges and memorial service. The only ongoing charge will be \$[REDACTED] per month for holding the remains of Mr. Jackson in a temporary vault. Once the family has selected a permanent memorial, a new contract for property and cemetery services will be negotiated, and the temporary invaultment charges will cease. Should the family choose a permanent interment site before September 6th, Forest Lawn shall issue a refund for the unused days at the rate of \$[REDACTED] per day.

It is my desire that you are completely satisfied with Forest Lawn's services. Please do call me at [REDACTED] if you have any questions regarding this statement or need any assistance.

Sincerely,
